**The easiest and fastest way to the
OK COMPOST & OK BIODEGRADABLE
Conformity Marks**

Do it with VINCOTTE, a market-driven approach and innovative dynamism

As it is based on the
EN 13432, no more, no less,
the OK COMPOST conformity mark
is accepted in all european countries,
without any additional test.

In order to spare time and money, please,

- make the application form as complete and accurate as possible;
- select a test laboratory agreed by VINCOTTE

You can also use test reports & certificates issued by other Certification Bodies:
DIN CERTCO (Germany), BPS (Japan) or BPI (USA), if they are based on the EN 13432.
If not conform to EN 13432, additional test(s) may be requested.

Application for certification to be send to our Belgian Office :
