## ***OK compost HOME*** **Conformity Mark**

**Download the last version of this list.**

**Visit our website [www.okcompost.be](http://www.okcompost.be)  
or  
scan the QR code**

*A finished product made of an OK compost HOME certified basic or raw material,  
does not automatically comply with the requirements of the OK compost HOME certification scheme.  
Because of the other unknown components that can be added to the finished product (ink, glue, ...), this finished product needs to be  
submitted to OK compost HOME certification in order to have the permission to put the OK compost HOME mark on this finished product.*

---

*The conformity of the products is guaranteed by the procedures for awarding and use of the 'OK compost HOME' conformity mark.  
This only applies to specimen bearing the 'OK compost HOME' mark.*
