## ***OK biobased*** **Conformity Mark**

This document contains the list of the OK biobased certified products ( Chapter B ).

The products are sorted by the biobased carbon content, measured according to ASTM D6866, and assessed according to the Vinçotte OK biobased specification.

- \* means a biobased carbon content between 20 and 40 %
- \*\* means a biobased carbon content between 40 and 60 %
- \*\*\* means a biobased carbon content between 60 and 80 %
- \*\*\*\* means a biobased carbon content of more than 80%

**Download the last version of this list.**

**Visit our website :**

**[www.okbiobased.be](http://www.okbiobased.be)**

---

*The conformity of the products is guaranteed by the procedures for awarding and use of the 'OK biobased' conformity mark.  
This only applies to specimen bearing the 'OK biobased' mark.*
