OK biobased **Conformity Mark**

This document contains the list of the OK biobased certified products (Chapter B).

The products are sorted by the biobased carbon content, measured according to ASTM D6866, and assessed according to the Vinçotte OK biobased specification.

- * means a biobased carbon content between 20 and 40 %
- ** means a biobased carbon content between 40 and 60 %
- *** means a biobased carbon content between 60 and 80 %
- **** means a biobased carbon content of more than 80%

Download the last version of this list.

Visit our website :

www.okbiobased.be

*The conformity of the products is guaranteed by the procedures for awarding and use of the 'OK biobased' conformity mark.
This only applies to specimen bearing the 'OK biobased' mark.*
