## **Seedling logo Conformity Mark**

This document contains only the products certified by Vinçotte.

A "7W" , "7H" , "7Z" or "7P" number between 2000 and 3999 means that the product is certified by Vinçotte

Lists of products certified by other certification bodies are available on their own website.

For the list of the products certified by Vinçotte, scan the QR code

*A finished product made of a "Seedling logo" certified basic or raw material, does not automatically comply with the requirements of the "Seedling logo" certification scheme. Because of the other unknown components that can be added to the finished product (ink, glue, ...), this finished product needs to be submitted to "Seedling logo" certification in order to have the permission to put the "Seedling logo" on this finished product.*

---

*The conformity of the products is guaranteed by the procedures for awarding and use of the 'Seedling' conformity mark.  
This only applies to specimen bearing the 'Seedling' mark.*
